

# THE FAMILY PHYSICIANS OF ESCONDIDO

**Dr. Stephanie Iem and Dr. Ving Yam**

Dr. Iem earned her board certification from the American Osteopathic Board of Family Practice in 2008. Being an advocate of preventative and alternative medicine, Dr. Iem practices a full range of family medicine including minor office procedures and dermatologic care. In addition, she is skilled in Osteopathic Manipulative Techniques (OMT). Dr. Iem takes pleasure in seeing all ages, with special emphasis in Women's Health and skin care.

Dr. Yam received his undergraduate degree from UCLA and graduated medical school from the Philadelphia College of Osteopathic Medicine in 2002. Dr. Yam completed his internship and residency at Riverside County Regional Medical Center where he served as Chief Resident. Dr. Yam is board certified with the American College of Family Medicine and is trained in Medicine and Gynecology, with special emphasis in Pediatrics and Women's Health, Sports Medicine, and he is skilled in OMT, all delivered with a Holistic approach.
